Steve and Kerry- Understand you will be getting Nancy directions to Gladstone, which will be the extent of the 'tour.'

Can you please confirm too that no PPE will be necessary?

Also, what will they be able to see at Gladstone- water treatment and command post?

Nancy- NACO has their own transportation, right? Assume media does too?

Nancy,

So the Media group is now 2 PM not 4 PM ? Yesterday I understood it was 4.

We will be staying out of the operational areas.

Thanks,

Steve

Hi all –

Just confirming everything for tomorrow.

Monica Lee will be flying in this evening to staff the visits (she will send us her itinerary as soon as she has it).

We will need someone from the ICP to take her up to Gladstone, to arrive no later than 9:30 a.m.

The first site visit is scheduled for 10 a.m. with the National Association of County Officials Rural Action Caucus (request came through Senator Bennett's office). They are attending their annual symposium in CO and will be traveling via train from Silverton to Durango at 1:45 pm tomorrow. There will be approximately 15 of them and they will travel in their own vehicle to Gladstone. The POC is Lynn Padgett @ 970-258-0836.

At 2 p.m. , there are 4 media outlets arriving -- Jonathan Romeo with the Durango Herald;

Grace Hood from CO Public Radio; Devin Neeley from KOB-TV Farmington Bureau; and Mark Esper of the Silverton Standard.

We need directions for the reporters from Silverton, so if the ICP could send them asap that would be great. Also, folks have asked about temperatures in terms of attire, as well as any special footwear considerations.

I am confirming, per Paula Smith, that no PPE or safety briefing is required for these visits.

I will get cell phone numbers for all of the media contacts, and will need cell phone information for Monica and for the command post at Gladstone.

Finally, confirming that Steve Way will be providing the briefings for the 2 visits tomorrow.

Thanks everyone for your help on this.

Please let us know if you have any questions.

Nancy Grantham
